## Burnham Island

Daniel Burnham's mark on Chicago is everywhere, from designing the 1909 Plan of Chicago to planning the 1893 World's Fair and protecting the city's lakefront for its people to enjoy.

Today, Burnham's ashes have the distinction of resting on his own island at Graceland Cemetery in Lakeview, known as the Cemetery of Architects.

4001 N. Clark St.  
Chicago, IL 60613
