St. John Cantius

St. John Cantius in River West is one of Chicago’s “Polish Cathedral” churches. It was founded by Polish immigrants and completed in 1898. In 2016, it was voted “most beautiful church in America” in an online contest.

A chapel contains this one-third scale replica of the Veit Stoss Altar of St. Mary’s Basilica in Kraków. It took eight years to complete!

3825 N. Carpenter St.
Chicago, IL 60642
