Vivian Maier

Vivian Maier was a prolific, mid-century photographer whose work was mostly unknown during her lifetime (1926-2009). She spent much of her life working as a nanny in Chicago. She took more than 150,000 photographs capturing urban life.

Brazilian artist Eduardo Kobra honored Maier with a mural in Wicker Park in 2017.

1651 W. North Ave.
Chicago, IL 60622
